Name on the Card _____

Parks ships UPS International and adds the cost of shipping to the invoice unless otherwise specified.

Any taxes, duties, fees, or customs charges that are charged to you directly by your country or the shipping agent at the border are your responsibility.

Most probes can ship within 3-5 business days, unless for a special order. If ordering probes for a Doppler that you already own, please specify the probe frequency (in Mhz) and style (Pencil, Adult Flat, Infant Flat, Obstetrical, or Precordial).

Most Dopplers can ship within 7-10 business days.

If you or a relative is traveling to the U.S. and wishes the product to arrive before you leave the country, please consider our build times to allow sufficient time to build and ship to you in the U.S. Also, please provide a phone number or E-mail where you can be reached in the U.S. in case of problems with address or credit card.

Send this form, along with a list of products that you request by fax or E-mail. If any portion of the form is incomplete, your order may be delayed. We will attempt to contact you via phone, fax, or E-mail to obtain any information that we need.

Fax: **503-591-9753**

E-mail: info@parksmed.com

Phone: **503-649-7007**

We will acknowledge within 2 business days.
