

SHIPPING INSTRUCTIONS

(FOR PARKS EQUIPMENT UNDER WARRANTY)

Upon receiving this loaner be sure to save all packaging material. Use it to ship your equipment for repair and again to return the loaner after your equipment has been repaired.

SENDING YOUR EQUIPMENT IN FOR REPAIR:

- 1) Please use the packaging material and box the loaner came in to send your equipment for repair.
- 2) For Computers: We have used enough packaging material to insure there is sufficient material for you to ship any size computer safely.
- 3) When you are ready to send your equipment in for repair, please call 1-800-547-6427, ext.138 and Parks Medical will issue a call tag for the product.

RETURNING THE LOANER TO PARKS MEDICAL ELECTRONICS, INC.:

- 1) Please use the packaging material and box your repaired equipment was sent in to return the loaner.
- 2) Please call 1-800-547-6427, ext. 138 when you are ready to return the loaner, and Parks Medical will issue a call tag.
